TONOPAH H. S. TEAM WILL PLAY AT BISHOP

Mr. Cross, director of athletics in the high school, today announces the closing of a contract with Bishop for a football game at Bishop on the fourth day of November. This will give the local team something to work hard for, as those who saw the husky farmer lads from Inyo county play the game in Tonopah last fall will know. The trip doubtless will be made in autos unless the weather should interfere.

The coming Saturday, Goldfield and Tonopah will measure strength in the first game of the season at Goldfield. Every boy on the local team has expressed a determination to meet the scholastic requirements of the Tonopah high school in order to be in line for the opportunity to play in the first game. The team that will go against Goldfield has not yet been selected, as a number of boys are practicing diligently and also keeping well up in their studies. The team will be announced on Friday of the coming week. The team selected for the first game will not necessarily be the varsity team for the season—the way they plan at that time and the manner they meet the training and scholastic requirements of the school thereafter will determine the standing of each boy on the team. Coach Merrill is proving that he knows the game and, as he says, he "would rather coach football than eat," these facts added to the spirit shown by the boys presage a successful season for Tonopah.

Mr. Cross expects to give the Tonopah people opportunity to see the boys in action on the local gridiron in games with Goldfield, Reno, University second team and Winnemucca, in addition to the big Thanksgiving game with the Carson Indian school.

JOHN CLENDENING

Independent Candidate for Short Term County Commissioner

Tonopah, Nev., Oct. 7, 1916.

To My Fellow Citizens of Nye County: You have seen the terrible extravagance with which the county business has been conducted. You who have lived here know the inefficiencies of the county offices. You know the conditions of the roads of this county, which are a disgrace to any civilized county—and as a citizen of Nye county I have announced myself as an independent candidate for the office of County Commissioner. My friends circulated a petition and secured the required number of signatures, endorsing me as an independent candidate, to entitle me to a position upon the ballot which you will vote upon November 7th of this year.

I have been a resident of the State of Nevada for 42 years—most of the time I have been connected with the business of ranching and cattle raising. For the last 13 years I have been in the teaming and livery business. I am thoroughly familiar with the work of road building and the advantages and necessity of good roads, and know the County needs.

As a candidate for County Commissioner, for the short term, I stand for every improvement that will benefit the citizens of this County. I pledge you my word that the work will be done in the most economical manner that I am able to find, and upon a strict platform for economy of public funds I present my name before the voters as a candidate for the office.

I assure you that I will not approve bills that are presented for payment or charged to "incidentals," "general expense," or "cash advanced," and other methods that are used by machine control to get hold of the County money, unless I have a complete statement of what the money was used for and whether it was used rightfully for that purpose, and that it must be accompanied by proper voucher and proof that the expense was incurred, that it was necessary, and that the use of the money had given the County one hundred cents in value for every dollar.

On this basis, I ask you to vote for me at the coming election, November 7th, for short term Commissioner.

Respectfully,
JOHN CLENDENING.

ISLANDERS' VIEWS WILL BE PRESENTED

(By Associated Press.)

ST. THOMAS, Danish West Indies, Oct. 7.—The legislature of the islands of St. Thomas and St. Croix, following instructions sent by the committee of the Danish parliament in Copenhagen, have delegated members to go to Copenhagen and present the views of the islanders on the sale of the Danish West Indies to the United States.

St. Croix has delegated as its delegates Messrs. Stakemann, Coulter and Fleming, and St. Thomas has appointed Messrs. Christianson, Jorgensen and Roberts. All are instructed not to recommend reforms. The legislature of St. Thomas has sent a cablegram to the parliamentary committee favoring the sale.

A mass meeting will be held at St. Thomas soon to obtain the views of the inhabitants. The delegates to Copenhagen will leave next Tuesday by way of Porto Rico.

ENGLAND DESIRES TO RESTORE OLD FOOTING

(By Associated Press.)

LONDON, Oct. 7.—"We are anxious to restore to its old footing the ancient friendship and commercial intercourse between the two countries," declared Lord Robert Cecil, minister of war trade, today in an interview with the Associated Press correspondent, in which he replied to the recent statement of Premier Hammarqjold of Sweden.

To the assertion of the Swedish premier that Great Britain is arbitrarily limiting the imports into Sweden, Lord Robert said that Great Britain has always been and now is ready to enter into fresh negotiations for a trade agreement with Sweden, in which case allowances would be made for all of Sweden's requirements, which, he admitted, are greater now than before the war owing to the development of her industries. The minister of war trade declared, incidentally, that the British blacklist violates no rule or law of equity.

THE MELANCHOLY DAYS
Now that the winter of our discontent is upon us before we have the corn shucked or the pumpkins dug, we do not wonder that some one should be inspired to write the following anonymous note arriving in this morning's mail:

"Will the Bonanza please tell me if this is last winter, this winter or next winter."
"Oblige yours truly,"
"IGNORAMOUS."

NO AGREEMENT ANNOUNCED

(By Associated Press.)
ATLANTIC CITY, N. J., Oct. 7.—When the members of the Mexican-American joint commission finished their conferences for the week today they were still unable to announce an agreement or any plan for border control. Secretary Lane, chairman, said that aside from stating that the time had been taken in further consideration of the various suggested plans of border control nothing could be told of the commission's work.

KIDNAPED MINER ELUDES CAPTORS

(By Associated Press.)

DENVER, Oct. 7.—A report that R. M. Perry, manager of the Moffat coal mine at Oak Creek, Colo., who was kidnapped from his cabin Wednesday night and held for \$15,000, has escaped from his captors and was safe at a ranch a few miles from here, could not be confirmed today. The origin of a garbled telephone message received at Yampa, Colo., and supposed to come from Perry, could not be traced. Communication was interrupted before the message was completed, and uncertainty exists as to whether it was he who telephoned. The message said Perry had escaped from his captors, two Greeks, after shooting one who attempted to recapture him, and had made his way to a ranch, the location of which was not definitely learned.

Meantime posses continued to search for the missing mine manager. S. M. Perry, father of the missing man, accompanied by several detectives, left Denver in a special train for Oak Creek late last night. The elder Perry received a special delivery letter directing him to come alone and deposit \$15,000 at a designated place or his son would be killed.

JUST FOR FUN

There are so many little unrecorded incidents, trifling to be sure, but nevertheless interesting—at least to the parties concerned—that the Bonanza will occasionally chronicle them, in hope that they will offend no one.

WILL DO THEIR BEST

The Manhattan National Rifle club departed this morning for Jacksonville, leaving several members of the Tonopah club in tears, not through sorrow for loss of their "dear" friends, who might undergo a Florida enchantment during their stay in the southland, but because they were not themselves chosen. And really, the pine tree boys did not particularly try to assuage their grief. As to the expectations for winning the prize, Slim Harris said: "We will do the best we can, and if they do not deliver over the bacon to us we will put in a stiff minority report."

REAL SPORTING SPIRIT

Al Frevant has too long been boasting the merits of his Locomobile and lording it all over Clem Hertel, whose green cart is a familiar sight on the streets of Tonopah. The superior manner of Frevant caused Clem to take Ed Powers into partnership and they purchased a Stoddard Dayton. They have had something done to it, which they won't reveal, changing the gears to greater speed, or something like that. At all events, they have posted \$500 and if Al covers it today there will be a 150 mile race on Dry lake tomorrow, no handicaps and the winner take all.

NOT HUGHES BUT SMITH

"Hello! Is this the Bonanza?" came in the treble voice of a little girl this morning. "Is President Hughes in town?"
"No, child, unless he came by wire."
"But I'm certain I saw him on the street and he smiled at me. I'd know him anywhere by his photograph."

Everybody in the Mulligan club knows who recently went under transformation at the hands of a tonorial artist and now is a (physical) replica of the Republican nominee.

MRS. M. E. LYTLE, a former resident of Tonopah, was an arrival yesterday from Inyo county. She expects to again make this city her home.

DEAN SCRUGHAM of the University of Nevada arrived from Reno this morning and spent the day with Prof. E. R. Bennett, continuing on to Goldfield by auto.

PLEASANT SOCIAL AT NYE COUNTY NORMAL

A social gathering, given by the students of the Nye County Normal school, took place yesterday afternoon at the school, the first of a series of social events that will be given there during the semester. The students furnished a delightful program. There were games, songs and clever stunts.

The students voted that play and social jollification are as important in life as work. Delicious refreshments were served and prizes were awarded to Mesdames Fleming and Catherine Smith and Miss Fannie Holmes.

Frank H. Canning, Who Protected a Woman in Fight, Remembered in Her Will.

Philadelphia.—As a result of a bit of gallantry to a woman more than three years ago Frank H. Canning, formerly of this city and later of Clarksboro, N. J., is to receive \$200,000.

Mrs. J. T. Elkins of Detroit, widow of a wealthy ranch owner, died several weeks ago, leaving an estate of \$400,000. Half of the money goes to Mr. Canning, the remainder to a charitable institution in Detroit. Mrs. Elkins was formerly Miss Irene Chadley of this city.

Miss Chadley was returning to her home on a trolley car late one night. She was the only woman on the car, the other passengers being half a dozen intoxicated men and Mr. Canning. Suddenly a fight started, and one of the men brushed against Miss Chadley and threatened her. Mr. Canning placed himself in front of the woman and, with the aid of the conductor, managed to overcome the rowdies.

Miss Chadley was so upset that Mr. Canning called a cab and rode with her to her home in West Philadelphia.
